1/ Annual data on clearances include prior years' offenses cleared in the current year.

2/ Part II data include all other offenses, except traffic, that are not included in the Index Offenses. The list of these Part II offenses include other assault, disorderly conduct, driving under the influence, drug abuse violations, embezzlement, forgery and counterfeiting, fraud, gambling, liquor laws, manslaughter by negligence, offenses against the family and children, prostitution and commercialized vice, sex offenses, stolen property, vagrancy, vandalism, and weapons offenses. However, in this table, the Part II data does include "hit and run" cases in Honolulu for 1991. All traffic cases excluded for 1989-1990 and from 1992 onward.

3/ Revised.

4/ A special effort by the Hawaii County Police Department to close cases which were referred to the Prosecutor dating back to 1984 resulted in a greater number of Part II clearances than would normally be expected.

5/ Excludes arson.
